„OUR STARS WILL TAKE YOU TO THE MOON“

Locarno's unforgettable charm, musical highlights and the heights of fine dining: the Moon&Stars Festival takes place on the Piazza Grande in Locarno - and there's a reason it's one of the world's best-loved festivals for both artists and guests. The next edition of Moon&Stars will take place 14 - 22 July, and promises to be another extraordinary event, thanks to a star-studded line-up and several new on-site features.

But it's not just about the spectacular main stage - there's a lot going on across the rest of the festival site around the Piazza Grande, including a variety of food stands offering tasty snacks and a feel-good Ticino summer atmosphere. To help make Moon&Stars an unforgettable experience for you, we have designed three different Hospitality Packages to suite every taste.
