

SNOWSHOEING

just 5 minutes from Locarno

Day tours January, February, March

- A Cardada – Alpe Cardada and back**
About 1 h 15
Doable even with little snow. Suitable for both beginners and experienced snowshoers. The route follows the path to Alpe Cardada. From the Alpine cross, you can enjoy the amazing and unforgettable view.
- B Cardada – Cimetta and back**
About 1 h 45
Start by following route **A**, then take route **B** to Cimetta, choosing the yellow, groomed path.
- C Cardada – Cimetta and back from Pian della Cimetta**
About 2 h 30
Take the chairlift or follow route **B** to Cimetta. A short section takes you to the Pian della Cimetta. After that, head downhill in the wood on a fairly challenging section (not prepared, usually with fresh snow). Take the path to the east, which passes under the chairlift and back to Cardada on route **A**.

Participation in individual or guided tours on the marked routes is at the participant's own responsibility.

Groups

We also arrange guided day tours for groups and companies with up to 25 persons, also for more difficult routes as well as night-time tours.
